

DO YOU NEED SUPPORT AS A PARENT?

If you live in the Hässelby-Vällingby District and have children age 20 or younger, the Parent Support Line may be just what you are looking for.

Perhaps you are experiencing difficulties with your children at home or during recreational activities. Our counsellors are bound to secrecy and do not require you to register first. You can also remain anonymous if you prefer.

Our phone number is **08-508 05 381**.
Our hours are **1:00-2:00 PM, Monday-Friday**.

If you phone at another time, leave a message on our voice mail and we will return your call. You may also e-mail to us at **fs.hasselby-vallingby@stockholm.se**

We also have a social worker out in the field whom children and young people can phone at 076-120 5343.

Need an interpreter? Contact us and we will be glad to arrange one for you.
