5. Discrimination at the centre

Discrimination is when you are offended, disadvantaged or treated differently to others by a staff member. The disadvantages or offences must be connected to some of the seven discrimination reasons (gender, gender identity or expression, ethnic origin, religion or other interpretation of belief, disability, sexual orientation and age). If a user in a home offends other users it is called harassment.

Do you feel you have been discriminated against in your activity centre in the last 12 months?

If yes, answer question 6; otherwise go direct to question 9

6. What was the reason for feeling discriminated against. You may choose more than one alternative of the seven discrimination reasons...

- Because I am a woman (gender)
- Because I am a man (gender)
- Because I feel like a woman/man/something else although I was born male or female (gender identity or expression)
- Because I come from another country (ethnic origin)
- Because of my religion (religion or other interpretation of belief)
- Because I suffer from a disability (disability)
- Because I am/fall in love with or want to have sex with someone of the same gender as myself (sexual orientation)
- Because of my age (age)
- Prefer not to answer
